1:15  Voluntaries – right choice for the occasion!
ANDREW AMPT, newly appointed senior organist, Bethlehem Lutheran Church, Adelaide. Be inspired by a selection of voluntaries from ‘easy to pick up and play’, manuals only, piano music on the organ, to the more challenging seasonal voluntaries with pedals. Bring a favorite voluntary to this session.

2:15  New Life in Lutheran Liturgy!
PASTOR ROBERT THIELE, organist. Hear samples of liturgies (from the old to the very new) and hints for strong articulate playing ensuring worshippers sing with confidence and enjoyment. Melody lines will be provided for participants’ singing.

3:15  Afternoon tea / your turn to try out music on the organ

3:35  Putting it all into practice!
STEVE KAESLER, organist, Immanuel Lutheran Church, Gawler. Find out how to modify the settings of contemporary songs and learn to make a small organ sound grand through imaginative stop changes. A ‘master class’ of invited organists will demonstrate these technique. Bring your stop list for this session.
