Introduction to Leadership Coaching
Two day Workshop

What Others Say
Fantastic! ....Useful in that I can use this immediately. I can see how this will meet my needs and my school. I had heard how good this was and everyone was right on the money..

Greg Brice – Principal, North Woodvale Primary School WA

Fantastic focus on a skill of leadership. Strong connection to the school context and the role of principal. Excellent opportunity to engage in skill development and reflection.

Alan Smith – Principal, York District High School WA

Excellent, hit the mark and was suited to the group. I think that the incorporation of coaching skills into our Leadership Training will take it to a new level of effectiveness.

Rosemary Simpson - Consultant Principal Speech and Language Department of Education WA

Fantastic program. Relevant and practical to use in my role at my workplace. The presenter was excellent. Kept the days moving. Relevant audience participation with opportunities to practise different strategies.

Johanna Smart - Deputy Head, (Admin), Woodleigh School – Victoria

This session has encouraged me to change!

Kevin Andrews
Deputy Head of Campus Caulfield Grammar School – Victoria

Excellent, 10/10....Best P.D. I’ve ever been to! Lifelong, transferrable skills!!! Loved the interactive nature hands on training

Roger Harris – Manager Herdsman Lake Wildlife Centre

ABOUT

This two day program will provide you with:

- Understanding of the value of coaching conversations and associated research in leadership and coaching
- Increased knowledge and competencies in conducting productive conversations with Emotional Intelligence
- Knowledge and skills in a common coaching methodology as well as a number of coaching skills, tools and techniques that can be used in a range of situations, both brief informal situations and more formal performance management situations and
- Strategies for managing the challenging and sensitive feedback conversations
