(h) Part-time teachers may be required to attend nominated school activities or compulsory professional development on a school day or part-day when they do not normally work.

21.11 The composition of classes will be determined by consultation to enable teachers to best meet the needs of students. Factors to be taken into account will be the educational, social and emotional needs of the students and the level of additional support that will be made available to teachers.

21.12 Consultation with the relevant teachers and the development of a management plan will form part of the process to cater for students with special needs. The School will consider carefully the requirements for resources to meet students’ needs.

The workload of a teacher who does not volunteer to participate in such additional extra-curricular activities will not be increased above the 100 hour co-curricular cap.

21.15 A school will negotiate with teachers who volunteer to engage in extra-curricular activities which are above the co-curricular cap, to ascertain if it is necessary, to compensate for the extracurricular involvement and where compensation is necessary the School will negotiate a schedule of compensation.

21.16 In Schools where extracurricular programs are established, a schedule of compensation for participating teachers will be developed and agreed during the life of this agreement.

21.17 A part-time teacher's participation in co-curricular and extracurricular activities is on a pro-rata basis consistent with the proportion of engagement in relation to a full time teacher.

21.18 Part-time teachers are required to attend parent-teacher interviews.

21.19 Student Contact Time and Non-Contact Time for Full Time Teachers

(a) Primary Teachers

(1) The maximum Student Contact for full time teachers per week shall be as shown in the table below. Local workplace agreements can vary this benchmark by up to ½ hour if there is a need (for example to connect with bus schedules).

(2) The minimum Non-Contact Time in hours per week (sometime known as Non-Instruction Time (NIT)) shall be a minimum as shown in the table below:

<table>
<thead>
<tr>
<th>Year</th>
<th>Maximum Student Contact Time (hours per week)</th>
<th>Minimum Non-Contact Time (hours per week)</th>
<th>Maximum Total Timetable Time (hours per week)</th>
</tr>

</tbody>
</table>

(3) Non-contact time for part time teachers shall be in proportion of hours worked to the full time equivalent.

(b) Secondary Teachers

(1) The nominal maximum Student Contact Time for full time teachers is 22.5 hours per week. Should the number of student days in a school be less than the maximum of 200 days, the maximum Student Contact Time for that school will be determined by the formula in sub-clause (4) below.
(2) The Non-Contact Time (non-instruction time) for secondary teachers shall be 25% (plus or minus 2\%) of the total Student Contact Time or 20% (plus or minus 2\%) of Time Tabled Time.

(3) Should the actual time tabled time at a school be less than the maximum time table time calculated by adding the maximum Student Contact Time and Non-Contact Time calculated using the formula and sub-clause (2) above, the teacher will then be allocated:
- The Student contact time will be 80% (plus or minus 2\%) of the Time Tabled Time
- The Non-contact time will be 20% (plus or minus 2\%) of the Time Tabled Time

(4) To determine the maximum Student Contact Time per week, the following formula shall apply:

\[
\text{Maximum Student Contact Time (hours per week)} = 40 \times \frac{\text{Nominal maximum Student Contact Time (Hours per week)}}{\text{Term weeks (Weeks)}}
\]

Where:
- Nominal Maximum Student Contact Time is in 22.5 hours per week
- Maximum number of student days is defined by Clauses 20.5 and 20.8 (200 days is 40 Weeks).
- Nominal Student Contact Time is 25\% of Student contact time 5.63 hours per day.
- Nominal Time Table Time is 28.13 hours per week (28 hours and 8 minutes)

Note:
- A nominal Student Contact Time of 5.75 hours per day for 40 term weeks means applying Clause 21.19 (b) (1) and (2)
- A Student Contact Time of 23 hours per week and A Non-Contact Time of 5.75 hours per week 5 hrs 38 mins per day

To make the matter clear, the following examples are included:

45.1 Definition

“Redundancy” in this clause 45 means the loss of employment due to the School no longer requiring the job the Lutheran School Officer has been doing to be performed by anyone or because of the insolvency of the School and “redundant” has a corresponding meaning.

45.2 Exclusions

(a) This clause 45 does not apply to employees with less than one year's continuous service. The general obligation of the School is no more than to comply with clause 7 (Consultation) and to give such Lutheran School Officers an indication of the impending redundancy at the first reasonable opportunity, and to take such steps as may be reasonable to facilitate the obtaining by such Lutheran School Officers of suitable alternative employment.

(b) This clause does not apply to Lutheran School Officers excluded from the application of Division 11 of Part 2-2 of Chapter 2 of the Act.

45.3 Discussions Before Termination

(a) Where the School has made a definite decision that it no longer wishes the job the Lutheran School Officers have been doing done by anyone and that decision may lead to termination of employment, the School must have discussions as soon as practicable with the Lutheran School Officers directly affected and with their chosen representatives and the IEU(SA). Such discussions shall be in accord with the Schedule 13 – Consultation. The discussions must include:

(1) the reasons for the proposed terminations;
(2) measures to avoid or minimise the terminations;
(3) criteria used for selection
(4) measures to mitigate the adverse effects of any terminations on the Lutheran School Officers concerned.

(b) For the purposes of such discussion the School must as soon as practicable provide in writing to the Lutheran School Officers concerned and their chosen representatives, all relevant information about the proposed terminations, including:

(1) the reasons for the proposed terminations;
(2) the number and categories of Lutheran School Officers likely to be affected;
(3) the number of Lutheran School Officers normally employed; and

(4) the period over which the terminations are likely to be carried out.

The School is not required to disclose confidential information the disclosure of which when looked at objectively would be against the School’s interests.

(c) The School must attempt to provide for the continuing employment of the Lutheran School Officers concerned by:

(1) granting reasonable paid leave to the Lutheran School Officers to attend interviews for alternative employment;

(2) taking all reasonable steps to provide opportunities for retraining and educating the Lutheran School Officers in new skills and techniques to maximise employment opportunities in the industry.

45.4 Period of Notice of Termination on Redundancy

(a) If, within 2 weeks of the notification in sub-clause 45.3(b) alternative employment cannot be provided for or gained by the Lutheran School Officer, then the School may terminate the employment of the Lutheran School Officer in accordance with the notice provisions of clause 40.1.

(b) Lutheran School Officers to whom notification of termination of service is to be given on account of the introduction or proposed introduction by the School of technological change in the industry in relation to which the School is engaged must be given not less than 3 months’ notice of termination.

(c) If the School fails to give notice of termination as required the School must pay to the Lutheran School Officer the ordinary rate of pay for a period being the difference between the notice given and that required to be given.    (b) Full-time and part-time teachers are eligible to apply.

   (d) Once a School has approved an application under this clause 95, the School cannot withdraw from the arrangement.

   95.2 Period of Leave

   (a) The period of leave will be for twelve (12) months, from 1 February to 31 January of the subsequent year.

   (b) Participants will not be able to return to a position at the same School during the 12 month leave period.

   (c) Should employment as a teacher be pursued within a School covered by this Agreement, the teacher may undertake relief or contract work.

   (d) The year of leave (the fifth year or tenth year, as agreed) will be considered as leave without pay and will not be taken into account in calculating the period of service for any purpose nor for calculating long service leave. However, absence on leave will not break continuity of service.
(e) A participant may defer the taking of leave under this clause by agreement with the School. The payment of salary arrangements shall continue unless there is agreement to suspend contributions, as provided by clause 95.4.

95.3 Payment of Salary

(a) The additional leave is funded by the teacher who defers the payment of salary by reducing his or her normal annual wage or salary by 20% and taking the additional leave in the fifth year. Alternatively, the teacher can elect to reduce his or her normal salary by 10% and take the additional leave in the tenth year. The teacher continues to work the normal agreed hours.

(b) During the four-year (or nine-year) accrual period, participants in the scheme receive 80% (or 90%) of their normal fortnightly salary and will thus be taxed at this reduced rate of pay. Normal salary is defined as a teacher's normal fortnightly salary plus any associated teaching allowances.

Interest accrued will be utilised to offset the administrative costs of the fund.

95.4 Suspension of Contributions

(a) Participation in the scheme will be suspended during any period of unpaid leave. Any period of unpaid leave will reduce payments into the fund and therefore proportionately reduce the accrued payment in the year of leave.

(b) A participant may elect to suspend contributions for a period of less than twelve months once during the accrual period. This will also reduce the accrued payment in the year of leave.

(c) The School retains the discretionary authority to approve suspension for a period of twelve (12) months at the request of the participant. Such a suspension will extend the taking of the year of leave by one (1) year.

95.5 Withdrawal

(a) The participant may withdraw from the scheme at any time by notifying the School in writing.

(b) The exact money paid into the scheme will be paid in a lump sum on withdrawal and no interest will be paid on this amount.
(c) The participant who withdraws from the scheme will be taxed on the lump sum payment and any other salary received during that financial year. Significant taxation implications may, therefore, apply. Participants are strongly encouraged to discuss these taxation implications and other related issues with an accountant or financial adviser of their choice and at their own expense.

(d) Where a participant’s service is terminated by the participant’s death, the participant’s entitlement under this clause vests in the participant’s personal representative.

95.6 Long Service Leave, Sick Leave and Increment Entitlements

(a) A participant in the scheme will accrue the above entitlements at 100% of the normal accrual rate over the first four years (or nine years) only. The fifth year (or tenth year), the year of leave, is a non-accrual period, ie, leave without pay status.

(b) If a participant becomes eligible for long service leave during the fourth year (or ninth year) of the deferred salary scheme, the long service leave entitlement will further be deferred and taken in the fifth year (or tenth year) of the scheme or taken in the final term/semester of the fourth year (or ninth year) of the scheme, or the first term/semester of the sixth year (or eleventh year).

(c) A participant who has personal/carer’s leave credits and has need of personal/carer’s leave during the first 4 years (or 9 years), will be paid at 80% (or 90%) of the normal salary.

(d) If during the period of leave under this clause, a participant who has personal/carer’s leave credits and has suffered an illness or injury, the participant will be entitled to claim personal/carer’s leave paid at 80% (or 90%) of the normal salary.

95.7 Workers’ Compensation

(a) Participants in the scheme are covered by workers’ compensation during the first four years (or nine years) of the scheme at 100% of their normal salary. A participant in receipt of workers’ compensation during the first four years (or nine years) may elect to continue in the deferred salary scheme or suspend contributions until his or her return to full duties.

(b) Any period of suspension due to workers’ compensation shall be undertaken in accordance with clause 95.4.

(c) During the fifth year (or tenth year), the year of leave, the participant is not covered by workers’ compensation.

Contributions are based on 100% of the participant's normal salary over the first four years (or nine years) only.

95.9 Income Protection Insurance

Salary Continuance Insurance shall be negotiated between the insurer and insured.

95.10 Fund Management
(a) The scheme will be managed by the Lutheran Schools Association. During the four-year (or nine-year) accrual period, the schools will remit 20% (or 10%) of salary foregone to the Lutheran Schools Office on a two or four weekly basis.

(b) Participants will receive a statement from the School at the end of each year showing the amount accumulated in the scheme. At the beginning of the fifth year (or tenth year), when leave is taken, the accumulated amount will be forwarded to the participant's School for payment through the School's payroll.

(c) All contributions to the scheme are guaranteed by the Lutheran Schools Association.

95.11 Portability

(a) Teachers are able to maintain their participation in the Deferred Salary Scheme should they transfer their employment between schools covered by this Agreement.

(b) The teacher is obliged to notify the Principal prior to appointment of their participation in the Deferred Salary Scheme and the date that leave is due to be taken.

(c) Participation in the Deferred Salary Scheme will not impede an application for employment in a school covered by this Agreement.

95.12 Implementation Date

(a) Applications are to be forwarded to the Principal by the close of business on 31 August of the year prior to the year of commencement.

(b) Schools will endeavour to notify the teacher of the result of their applications by 31 October of the same year.

95.13 Taxation Ruling

The Australian Taxation Office has released a Class Ruling (CR2003/75) “Income tax: Deferred Salary Payment Agreement for Sabbatical Leave Scheme by teachers at Lutheran Schools and Kindergartens in South Australia”. 97.2  Military Service Leave

An employee who is a member of the Australian Military Reserve or other Australian Military Forces will be granted leave without pay for the purpose of attending any compulsory camp or posting.

98.  Short Leave

98.1  An employee, by agreement with the Principal, two days paid leave per school year for special non-recurring family events such as graduation ceremonies for self or family, moving house or other urgent or pressing necessities.

98.2  The leave is not cumulative and is available on a pro rata basis for part-time employees.

99.  Special Leave

99.1  The School may, where reasonable cause exists grant to an employee special leave with or without pay for any period and upon such conditions as are mutually agreed with the employee.

99.2  Special leave granted under clause 99.1 is in addition to any other leave to which an employee is entitled.

100.  Ceremonial Leave

Indigenous employees are able to access 5 days paid ceremonial leave to attend to cultural obligations, in addition to any other entitlements.
Part VI - Employee Representation and Union Recognition

101. Employee Representation and Union Recognition

101.1 IR Context

The Schools and employees accept that to be consistent with the ethos of working together, they are committed to a collaborative approach to conducting workplace relations.

101.2 Union Recognition

The Schools and employees recognise that:

(a) the IEU(SA) is the principal industrial representative of employees in Lutheran schools in the workplace relations context and has a legitimate right to advise members about all aspects of their employment.

(b) Employees have the freedom of choice to select whatever representative they choose.

101.3 Union Access to Members and Other Employees

Right of entry is governed by Part 3-4 of the Fair Work Act.

101.4 Union Communication

(a) Employees and IEU(SA) are free to exchange information relative to industrial matters effecting the employees' rights, obligations and conditions of employment, OHSW and other legitimate matters of interest, without interference from the School.

(b) To that end, material circulated to school staff via the postal system or by way of 'fax' shall be passed on to the relevant employee(s) promptly.

(c) The School shall permit the posting of IEU(SA) notices on noticeboards within the School where they are likely to be accessed by employees.

(d) Communication include email between IEU(SA) and employees shall be treated as confidential and not interfered with, or changed in any way.

(e) While reasonable care, consistent with good business practice, is taken, Schools do not guarantee the confidentiality of any data stored on any School information technology system or transmitted through any network. For the purpose of managing the information technology facilities, it may be necessary to monitor files and usage. Schools reserve the right to examine or copy files or data on their information technology facilities to maintain a secure, efficient and effective information technology environment and to ensure compliance with all laws and customs. In many cases, user files will be copied to provide backup for disaster recovery, and network traffic will be sampled to ensure correct functioning of equipment.

101.5 Accredited IEU(SA) School Representative (formerly Job Representative)

(a) An accredited IEU(SA) School Representative (may also be known as a Job Rep) is an employee who is a member of the IEU(SA) and is appointed by the other IEU(SA) members at the School.
(b) Where a School has a Consultative Committee, an accredited IEU(SA) School representative shall be a member of the Committee. The accredited IEU(SA) representative may delegate this role to another IEU(SA) member who is an employee of the School.

(c) The School representative will be permitted in working hours (other than Timetabled Time) to meet with the Principal or other School leaders on IEU(SA) business. These interviews must take place at a time and place convenient to both parties.

101.6 Union Training

(a) The parties value union training and the skill that training may afford.

(b) Schools will provide 1 day's paid release per year to the School's accredited IEU(SA) representative or other delegated member to attend union-organised training or conferences as part of the representative’s Professional Development Plan.

(c) Any further training provided by the union for union representatives shall be undertaken at the employees' expense. That is, IEU(SA) shall pay the School for any actual costs incurred for relief provided.

(d) All members of the Consultative Committee are to be offered opportunities for training. Such training can be considered as School-required Professional Development.

101.7 Representation of Employees

(a) Any IEU(SA) member is entitled to be accompanied or represented by an IEU(SA) representative (or other IEU(SA) member) at any meeting which occurs between that member and the Principal (or nominee, or other School representative).

(b) At the time that any such meeting is arranged, the School shall inform the employee of their right to be accompanied or represented and shall encourage the employees to avail themselves of that opportunity.

(c) Any employee who is asked to attend a meeting with the School (that touches upon their employment rights) shall be given sufficient time between the advising of the meeting and the scheduled meeting time, to make representational arrangements.

(d) The employee is to have explained to them, at the point of notification, the purpose of the meeting and issues to be discussed so that they may seek advice about these in advance and discuss them with the Union representative.

(e) This clause shall be read in conjunction with Clause 5 Complaints Procedure and Clause 6 Dispute Resolution Process.

101.8 Enterprise Bargaining Consultation

The Schools and employees recognise the desirability of an effective and efficient flow of information between employees and their representatives involved in enterprise bargaining negotiations.

101.9 Union Involvement in Staff Meetings

IEU(SA) Officers will not attend Staff Meetings of the whole staff unless it is agreed expressly between the IEU(SA) Officer (or IEU(SA) representative at the School) and the Principal. The
Principal, if agreeable, should nominate a suitable time. If the Principal agrees to an IEU(SA) Officer’s attendance at a Staff Meeting, the principal is entitled to be present throughout the presentation.

101.10 Meetings of IEU(SA) Members

(a) Meetings of IEU(SA) members who are employed at a school may be held on school premises at times and places reasonably convenient to IEU(SA) members and to the School so that the work is not disrupted.

(b) Employees have a right to meet without the Principal or other school leaders being present.

1 Lutheran School Officers are entitled to progress to the next higher incremental step (if any) in the salary scale after each 12 month period, ie on the anniversary of appointment.

2 All fulltime salaries detailed in this Schedule are based on 4 weeks paid annual leave per annum. Annual leave in excess of 4 weeks must be taken without pay. However, Lutheran School Officers may spread their salary over 52 weeks in accordance with the formula below.

3 Salaries for all Lutheran School Officers (other than Boarding House Supervisors, Lutheran School Services Staff and casual Lutheran School Officers) who work for:

3.1 less than 52 weeks per year (less 4 weeks annual leave);

OR

3.2 work for less than 37.5 hours per week regardless of the weeks per year;

OR

3.3 work for 37.5 hours per week but for less than 52 weeks per year (less 4 weeks annual leave) should be calculated as follows:

(1) over the 52 weeks of the school year, at a weekly rate calculated as follows:

$$\text{FTE annual salary} \times \frac{\text{Hours actually Worked per week}}{37.5} \times \frac{\text{Weeks actually worked}}{48} \times \frac{6}{313}$$

OR

(2) during the actual periods of work during the school year at a weekly rate:

$$\text{FTE annual salary} \times \frac{\text{Hours actually Worked per week}}{37.5} \times \frac{\text{Weeks actually worked}}{48} \times \frac{1}{\text{Weeks actually worked}}$$

Notes:

(A) Lutheran School Boarding Staff must substitute the denominator of 43 instead of 48 in the above formulas.

(B) Casual employees are paid a 25% loading i.e. the above formulas are to be multiplied by 1.25 to determine the casual rates of pay.

(C) Casual employees under the provisions of the previous agreement are paid a 20% loading i.e. the formulas are to be multiplied by 1.20 to determine the casual rates of pay.

This loading is applicable to the salaries applicable from 25 July 2011 until this Agreement is approved by Fair Work Australia.

(D) If an employee is engaged for shift work, the annual leave is 5 weeks, consequently calculations in this clause above are to be modified accordingly.

Schedule 8 - Classification Structure for Lutheran School Officers

1. **Preamble**

   This Classification Guide is to assist Schools and Lutheran School Officers in describing, understanding and classifying the diverse range of roles carried out by Lutheran Schools Officers.

   The starting point for classification decisions is an up to date job description. This will generally be the job description most recently signed off as agreed between the school and Lutheran School Officer. Changes in role since the job description was last agreed may need to be taken into account in determining a new job description. Refer to Clause 73 - Reclassification and Job Review Process – Lutheran School Officer of the Agreement.

   Once a job description is updated, the role can be classified using:
   (1) Evaluation Factors
   (2) Indicative Duties

2. **Job Description Can Cover More Than One Career Stream**

   A Lutheran School Officer who has a job description consistently traversing more than one career stream will be classified within that career stream that describes the major and substantial part of the Lutheran School Officer’s allocated duties.

3. **Performance of Duties In Other Career Streams**

   Nothing contained in this Schedule may be read or construed as limiting or affecting the right of the School reasonably to require a Lutheran School Officer of any classification at any time, or temporarily, to perform duties appropriate to other career streams whether or not the duties are those normally attached to a higher or lower grade and career stream or any other duties associated with the conduct or operation of the School provided that the employee is appropriately trained and suffers no reduction in salary as a result.

4. **Transition Arrangements**

   Lutheran School Officer will not be disadvantaged as a consequence of this change to the classification framework ie there will be no Lutheran School Officer who will be classified at a lower grade. If the classification of a job is reduced, the employee shall remain at the original classification and salary. When the job becomes vacant, it may be reclassified at the lower level.

5. **Format for Job Descriptions**

   Job descriptions shall be prepared using the Proforma provided at Attachment 1 to this schedule either:
   (1) For new jobs, at the time of job design, or
   (2) For exiting jobs at the time of the next biennial review

6. **Definition of Terms**

   A Glossary of Terms has been included to help the user and to ensure a shared understanding of the Classification Structure and preparation of Job Descriptions.
7. **Evaluation Factors**

Classification is based on the use of a number of evaluation factors. The evaluation factors are used to establish the comparable work value of each job. Comparison of Lutheran School Officers’ jobs within schools can then be confidently and objectively undertaken. Each factor has been described in seven levels permitting the division of work into seven grades of Lutheran School Officers, as detailed in the Classification Matrix (pages 4 and 5). The evaluation factors are:

1. **Supervision or Direction**

   Lutheran School Officers are subject to various levels of supervision or direction, depending on the work and organisational context. A continuum of supervision and direction is established to provide a measure of the level of independence given to the Lutheran School Officer.

2. **Use of Knowledge**

   This factor is concerned with the examination of the degree of experience and knowledge required to perform the work of the job competently. This may be gained through on-the-job experience, formal education, in-house training or a combination of these.

3. **Use of Skills and Problem Solving**

   This factor is concerned with an assessment of the nature and degree of problem solving involved in the work assigned to the job. Problem solving is the process of defining or selecting the appropriate course of action where alternative courses of action are available. This dimension looks at how much of each of these qualities applies at each classification grade.

4. **Control, Authority and Decision-Making**

   This factor relates to the requirements for decision-making or for the submission of recommendations. This measures the degree of influence exercised by the Lutheran School Officer within an organisation, for example, the distinction between basic liaison in exchanging information, persuasion in discussions, or complex negotiation over matters.

5. **Judgment**

   Judgment is the ability to form opinions, evaluations and to make decisions that reflect a clarity and depth of perception, show discernment or discrimination in practical matters and recognise the consequences of decisions or actions.

6. **Responsibility and Accountability**

   This factor evaluates the degree to which a Lutheran School Officer is to be held to account for the outcome of assigned work. Whether this falls totally or partially into a particular job or is in reality held by the next level of management are key questions to be addressed.

7. **Responsibility for Others**

   This factor is a continuum of responsibility for the outcomes and performance of others and will range from limited responsibility to complete supervisory authority.

Schedule 12 - Dispute Resolution Process (DRP)

**Preamble**

1 If a dispute relates to a matter:
   (a) arising under the agreement; or
   (b) arising under the National Employment Standards; or
   (c) any other industrial matter

   this term sets out procedures to settle the dispute.

**Representation**

2 An employee who is a party to the dispute may appoint a representative for the purposes of the procedures in this term.

**First level of Dispute Resolution – Workplace**

3 In the first instance, the parties to the dispute must try to resolve the dispute at the **workplace level**.
   (a) Any dispute shall be dealt with by discussion between the employees and the relevant supervisor and if such discussions do not resolve the dispute, by discussions between the employees concerned and more senior levels of management as appropriate.
   (b) Where a dispute is raised it should where possible be reduced to writing. Parties to the Agreement shall be notified of the dispute and be provided with any material that has been reduced to writing.
   (c) Once a dispute has been initiated the parties shall meet and confer within 7 days at a local workplace level in an attempt to resolve the dispute. Where a party states that it is not possible to meet within 7 days the reasons for the inability to meet must be provided in writing. Unless agreed otherwise, the parties must meet within 14 days.
   (d) Following a meeting of the parties to discuss the dispute the parties can agree:
      • that the dispute is satisfactorily resolved;
      • agree to further workplace level meetings to attempt to resolve the dispute;
      • take other agreed steps which will assist in the resolution of the dispute; or
      • agree to proceed to conciliation.

**Second Level Dispute Resolution – Mediation or Conciliation**

4 If discussions at the workplace level do not resolve the dispute, a party to the dispute may refer the matter to **Fair Work Australia**.

5 Fair Work Australia may deal with the dispute in two (2) stages:
   (a) Fair Work Australia will first attempt to resolve the dispute as it considers appropriate, including by mediation, conciliation, expressing an opinion or making a recommendation; and
Third Level of Dispute Resolution - Arbitration

(b) if Fair Work Australia is unable to resolve the dispute at the first stage, Fair Work Australia may then:

(i) arbitrate the dispute; and

(ii) make a determination that is binding on the parties.

Note If Fair Work Australia arbitrates the dispute, it may also use the powers that are available to it under the Act.

A decision that Fair Work Australia makes when arbitrating a dispute is a decision for the purpose of Div 3 of Part 5.1 of the Act. Therefore, an appeal may be made against the decision.

6 While the parties are trying to resolve the dispute using the procedures in this term:

(a) an employee must continue to perform his or her work as he or she would normally unless he or she has a reasonable concern about an imminent risk to his or her health or safety; and

(b) an employee must comply with a direction given by the employer to perform other available work at the same workplace, or at another workplace, unless:

(i) the work is not safe; or

(ii) applicable occupational health and safety legislation would not permit the work to be performed; or

(iii) the work is not appropriate for the employee to perform; or

(iv) there are other reasonable grounds for the employee to refuse to comply with the direction.

7 The parties to the dispute agree to be bound by a decision made by Fair Work Australia in accordance with this term.
