December 2015

LLL Interest Rate change

We advise that the interest rate on ‘at call’ Savings Accounts will be 2.75% per annum from 1 December 2015. This interest rate applies to all LLL interest bearing Savings Accounts.

This interest rate change is due to an extended period of historically low interest rates in the current economic environment.

LLL depositors provide substantial benefits to the LCA via their Savings Accounts, and this interest rate reduction will enable the LLL to continue to maximise support to the LCA, its congregations, schools, aged care facilities etc, while also returning a reasonable rate of interest to depositors.

If you would like more information about how LLL accounts support the Church, please read our Together in mission and Annual report publications, which are available on the LLL website (www.lll.org.au) or by contacting the LLL office.

Interest on Savings Accounts is credited on 31 May annually. All Savings Accounts continue to be ‘at call’, with no fees or charges and with no minimum deposit or balance required.

We sincerely thank all depositors for their continued support of the Church via their LLL Savings Accounts. We thank God for the many blessings that He provides, and for continuing to bless the work of the LLL as we support the mission of the Church.
