Student Leaders Day 2016
This will be an interactive day, engaging and equipping students with the 4 S’s of Student Leadership, providing them with a holistic approach to effectively lead within Lutheran schools.

The 4 S’s of Student Leadership
provides students with 4 key questions to help them approach their leadership in a holistic way.

Significant others: What can I learn from other significant leaders I respect?
Spiritual Leadership: What can my spirituality bring to this situation?
Servant Leadership: How can I best serve in this situation?
Support: What support can I access to help me lead in this situation?
Students will learn the understanding behind each question and then have opportunity to apply them to real life situations.

Facilitators:
Emma Graetz: Grassroots Coordinator, Australian Lutheran College

Cost:
Approximately $15 per student to cover the cost of engaging Emma Graetz from Grassroots and morning tea.
This is based on a minimum of 40 students.
Schools will be invoiced once final costs have been calculated.
Fresh fruit & biscuits will be provided for morning tea.
Students to bring lunch & water bottle.
