Student Leaders Day 2014
This will be an interactive day, engaging and equipping students with the 4 S’s of Student Leadership, providing them with a holistic approach to effectively lead within Lutheran schools.

The 4 S’s of Student Leadership
provides students with 4 key questions to help them approach their leadership in a holistic way.

**Significant others:** What can I learn from other significant leaders I respect?

**Spiritual Leadership:** What can my spirituality bring to this situation?

**Servant Leadership:** How can I best serve in this situation?

**Support:** What support can I access to help me lead in this situation?

Students will learn the understanding behind each question and then have opportunity to apply them to real life situations.

**Facilitators:**
Emma Graetz: Grassroots Coordinator, Australian Lutheran College

**Cost:**
Approximately $20 per school to cover the cost of engaging Emma Graetz from Grassroots.
LSA will invoice schools once final costs have been calculated.
Fresh fruit & biscuits will be provided for morning tea.
Students to bring lunch & water bottle.
