Due to overwhelming demand, Mr Neil MacKay is returning to the Barossa and Gawler Surrounds courtesy of D.A.G.B.A.G.S. (Dyslexia Action Group, Barossa and Gawler Surrounds), in collaboration with the Barossa Region DECD and the Lutheran Schools Association.

Dyslexia affects 10% of Australians. However 25% of school kids have "dyslexic style" learning needs.

Come along and learn practical strategies that will improve the educational outcome of these vulnerable learners immediately. It is guaranteed to be a fun and lively experience.

---

NEIL MACKAY is an educational consultant and trainer who created the concept of Dyslexia Friendly Schools in the UK. He is an experienced teacher who has taught for 26 years, working with children of all ages with a wide range of needs and abilities. Neil is known for his ability to bring the classroom into his training and for providing lively, entertaining and thought provoking opportunities for teachers and allied professionals to reflect on and develop their practice. He has written a number of books including the extremely popular *Removing Dyslexia as a Barrier to Achievement* and *Taking the Hell out of Homework*. Both books can be purchased through the AUSPELD website www.auspeld.org.au
